CONFIRMATORY ASSIGNMENT I

This Assignment is made effective on 1 April 2001 between the University of Melbourne, having an address of Victoria 3010 Australia and having a place of business at Grattan Street, Parkville, Victoria 3052, Australia (hereinafter referred to as the "Assignor") and the Axonyx, Inc., a corporation incorporated in the State of New York, having an office at 825 Third Avenue, New York, New York 10022 (hereinafter referred to as the "Assignee").

WHEREAS:

The Assignor was the registered proprietor of the invention described and/or claimed in United States Provisional Patent Application 60/195,231 entitled DIAGNOSTIC TEST FOR ALZHEIMER'S DISEASE as a result of Assignments dated June 20, 2000 and June 21, 2000 and which is the subject of this Assignment.

On 1 April 2001 Assignee was desirous of acquiring and Assignor agreed to assign a 50% share in the property.

The Parties hereto had agreed as of April 1, 2001 that fifty percent 50% of the entire right, title and interest in all inventions described and/or claimed in United States Provisional Patent Application 60/195,231 ("Subject Inventions") including the right to claim priority and the right to any corresponding national or international patent applications filed thereon which claims priority based upon Provisional Patent Application 60/195,231, which applications include United States Patent Application 09/829,446 and International Patent Application PCT/US01/11654 both filed 9 April 2001 and to any and all patents that may be granted thereon and any and all reissues and extensions of such patents should be transferred by the Assignor to the Assignee on the terms set forth herein.

Assignor acknowledges and concurs with the fact that Assignee caused International Application No. PCT/US01/11654 to be filed on the Subject Invention in Assignee's sole name on 9 April 2001 and that Assignee caused Assignor to be added as an applicant in said International Application September 30, 2002.

As part of the agreement between the parties made effective on 1 April 2001 the assignment included the following terms:

- 1) It was agreed that effective 1 April 2001 (pursuant to the foregoing and in consideration of \$1 and for other good and valuable consideration the receipt and sufficiency of which is acknowledged), the Assignor as proprietor assigned, transferred and set over to the Assignee, effective as of 1 April 2001, fifty percent (50%) of all Assignor's rights, title and interest in the Subject Invention.
- 2) It was agreed that the Assignor undertakes at the expense of the Assignee to execute all documents that may be required in order to confer fifty percent (50%)

of all its rights, title and interest in the subject invention and the patent application derived therefrom to the Assignee.

- 3) It was also agreed that effective 1 April 2001 the Assignor authorised the Assignee to make and file all patent applications for the Subject Invention for such protection in Assignee's own name and maintain such protection in any and all countries foreign to the United States including said International PCT/US01/11654 Application and to invoke and claim for any such application for patent or other form of protection for said Subject Inventions, without further authorization from us, any and all benefits, including the right of priority provided by any and all treaties, conventions or agreements.

IN WITNESS WHEREOF this document is executed to provide written confirmation of the terms agreed between the parties and made effective on 1 April 2001 for and on behalf of the University of Melbourne in the presence of a notary.

DEED OF ASSIGNMENT
PATENTS AND PATENT APPLICATIONS

This Deed of Assignment is made the 15TH day of JUNE 2004.

BETWEEN

THE UNIVERSITY OF MELBOURNE, Grattan Street, Parkville 3052, Victoria, Australia (the "Assignor")

and

MONASH UNIVERSITY, Wellington Road, Clayton 3800, Victoria, Australia (the "Assignee")

BACKGROUND

- A. The Assignor is the proprietor of the patents and patent applications set out in the Schedule (the "Patent Property"), and the inventions the subject of these.
- B. The Assignor and the Assignee have entered into an agreement whereby the Assignee has agreed to make certain payments to the Assignor's creditors.
- C. In consideration of the Assignee's payment of certain amounts to creditors of the Assignor, and for other good and valuable consideration, the Assignor has agreed to assign the Patent Property to the Assignee on the terms of this Deed.

IT IS NOW AGREED AS FOLLOWS:

- 1. In consideration of the sum of the payment made by the Assignee in accordance with clause 4.1 of the said Agreement and of the contingent payment referred to in section 4.2 of the said Agreement, the Assignor HEREBY ASSIGNS to the Assignee:
 - 1.1 all right, title and interest in and to the Patent Property and to the inventions the subject of the Patent Property;
 - 1.2 all equivalent, divisional and continuation applications relating to or arising out of the Patent Property (including any national phase entries arising from the European and Patent Co-operation Treaty patent applications within the Patent Property); and the right to file equivalent, divisional or continuation applications on it.
- 2. The rights assigned in Clause 1 above include the right to take action in respect of any infringement of any patents within the Patent Property, or of any patents that may be granted on the applications within the Patent Property, which may have occurred prior to the date of this Deed.
- 3. Each party agrees (at its own cost unless otherwise agreed) to execute all documents and do all further acts as reasonably required from time to time by the other party to give full effect to the provisions of this Deed.
- 4. This Deed shall be governed by and construed in accordance with the laws of the State of Victoria in the Commonwealth of Australia.
- 5. Several copies of this Assignment may be executed by the parties, each of which shall be deemed to be an original which may be relied upon by either of the parties for any purpose.

The parties have shown their acceptance of the terms of this Deed by executing it below.
